

Reshaping the Future of Global Education Together

Reshaping the Future of Global Education Together

Who We Are ...

Ethos Education

Ethos Education, a global partner of the Ontario's Ministry of Education Digital Learning platform and curriculum, provides setup, training, and ongoing marketing and support to partner schools. The CEO also acts as your own **Canadian Brand Ambassador!**

Canada Global Academy

Canada Global Academy, operated by Ethos Education, forms robust partnerships with top K12 schools globally. The school offers students access to the award-winning Ontario Ministry of Education approved Digital Learning platform curriculum, emphasizing enriched education and advanced cognitive skills within local classroom environments.

Rosedale Global High School

Rosedale Global High School, delivers the Global University Pathway (OSSD: Grades 9-12) module. Supporting secondary schools worldwide, offering students access to differentiated education emphasizing higher-order thinking skills within their local classrooms.

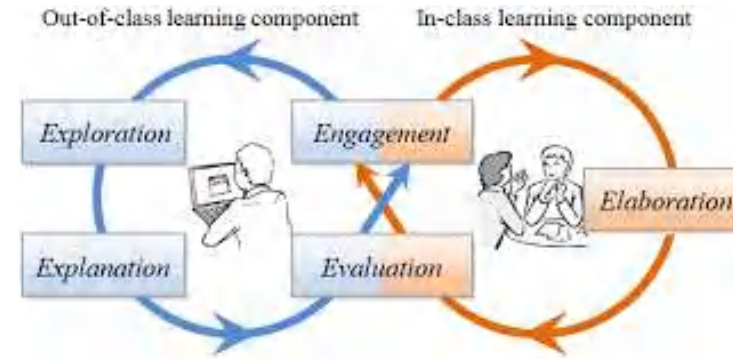

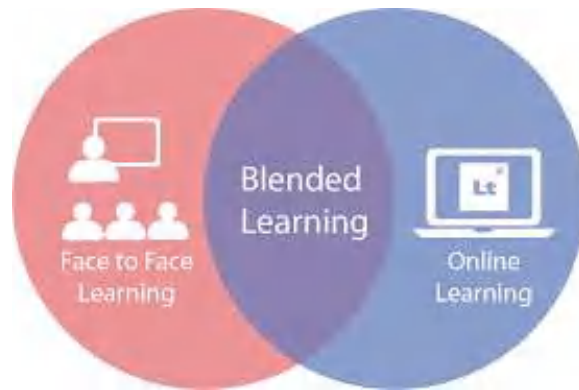

Revolutionizing Education via Disruptive **Technology**

- Our cutting-edge "**plug and play**" model Revolutionizes Teaching and Learning
- Implement an accredited Comprehensive Canadian International School program
- Bypass the unnecessary barriers and expenses imposed by Provincial Ministries

Our Learning Approach

Blending Learning / Flipped Classroom teaching model based on student collaboration and differentiated instruction with a **Self-Directed Learning** approach.

- Personalized Learning
- Support for Different Learning Styles
- Preparation for Real-World Skills
- Increased Engagement
- Enhanced Teacher-Student Interaction
- Flexible Learning Environment

What is Blended Learning?

<https://youtu.be/R-Lp6qQRyf4>

What is a Flipped Classroom?

The Canadian **Education** Advantage

Canada is the fastest-growing education destination for international students, with a 20% year-over-year increase.

Graduates with a Canadian degree get a 3-year work permit and can apply for permanent residency.

Canada leads G7 Nations in education, with the Ministry of Ontario curriculum ranked #4 globally and in the top 15% in PISA.

A 2019 study by US News & World Report in partnership with BAV Group and Wharton University of Pennsylvania ranks Canada as the 3rd best country in the world for education.

World Leader

Ontario Ministry of Education Curriculum is Recognized Worldwide as the Leader in Differentiated Learning. *(i.e., Providing Customized teaching to meet each student's unique needs.)*

It focuses on developing students' skills in five key areas:

- Transformational skills development
- Real-world application and innovation
- Global citizenship education
- Differentiated education
- Diverse assessments, and individualized learning paths

International Student Program **Benefits**

Student Program Benefits

- Registered as Canadian students
- Report cards issued by the Canada, Ontario Ministry of Ontario
- Access to the Ontario Ministry of Education approved “Blended Learning” Digital Learning Platform
- Access to North American scholarships & funding
- Student Visa Fast Track acceptance by the Canadian government
- Graduate Students in Canada will receive Permanent Residence / Canadian passport

Students have an OSR with OEN

- Ontario Student Record (OSR)
- Ontario Student Number (OEN)

The **OSR** is created at registration to track educational progress.

The **OSR** enables students to transfer seamlessly into other Ontario schools.

The **OEN** is a student identification number assigned by the **Ontario Ministry of Education** at registration.

OSSD Global Admission Advantage

Considered an International University Preparation Program

Canadian OSSD
Identification

Differentiated admission
criteria

Lower Competition and
Higher Acceptance

Internationally
Recognized /
Accredited Scores

Qualify for Domestic Entrance Scholarships in addition to International Student Scholarships.

Apply with GPA , no need for Preparation Program or A-level; lower competition and higher acceptance.

Stand out from crowded SAT pool, no ACT required;
Most universities don't need SAT for OSSD students

Exempt from IELTS/TOEFL as an OSSD student; ENG4U is accepted to meet the language requirement

OSSD Global Acceptance

APPLY TO TOP **GLOBAL UNIVERSITIES** WITH AVERAGE 6 OSSD UNIVERSITY PREPARATION COURSES

UNIVERSITY OF TORONTO (CANADA) – OSSD ADMISSION REQUIREMENTS

Apply through the Ontario Universities' Application Centre (OUAC) 101 Application.

- Targeted at current, full-time Ontario high-school students.
- Maximum absence from high school should not exceed seven consecutive months.
- Expectation to receive the Ontario Secondary School Diploma (OSSD) with six Grade 12 U/M courses by the year's end.
- Applicants should not have attended a post-secondary institution (college/university).

UNIVERSITY OF MICHIGAN (US) – OSSD ADMISSION REQUIREMENTS

- Freshman applicants must complete a minimum of five Grade 12U courses, including Grade 12U English, leading to the OSSD.
- Application can be made during the senior year.

UNIVERSITY OF OXFORD (UK) – OSSD ADMISSION REQUIREMENTS

- Requires a Secondary School Diploma with six Grade 12 courses.
- No more than two 4M courses are allowed.
- Each course must be passed at a minimum of 85%.
- Encourages students to choose Grade 12 U course options relevant to the intended degree of study.

Choose Ontario Curriculum for Internationalization

- **Exam-based evaluation** education model
- **Limited direct-admission** to global universities with IGCSE, requiring costly international foundation programs or longer 2-year A-Level programs for admission
- **Saturation** of many schools offering Cambridge
- **Limited integrated** eLearning education technology

- **Progressive** evaluation education model to meet **diverse** student learning needs
- **Cost-efficient** operation and **scalable** partnership with Rosedale
- **Unique Canadian** diploma, **customizable** to **complement local** curriculums
- Co-teaching **collaborative education partnership** with Rosedale
- Fully **integrated 21st century** eLearning **education technology** from Rosedale for learning and evaluation

- **Exam-based** evaluation education model
- **High cost** of implementation and long accreditation period
- **Limited scalability** requiring access western teachers
- Emphasis on **independent study**, unable to meet diverse student learning needs
- **Limited integrated** eLearning education technology

Leverage Canadian Branding

Canadian Brand Ambassador

National News Exposure

School Events

Canadian Dignitaries

Grand Openings

Your Own Canadian Brand Ambassador!

The CEO of Canada Global Academy/Ethos Education serves as your **Canadian School Ambassador**, leveraging Canada's strong global reputation to launch your new school.

Enhance School Credibility:

- Secure regional news exposure
- Facilitate participation in school events
- Liaison with local & Canadian dignitaries

Marketing and Admissions:

- Plan and lead open houses & grand openings
- Recruit students (including parent outreach)
- Manage student enrollment process
- Design local marketing programs

School Launch and Operations:

- Facilitate building design
- Recruit academic and admin team
- Teacher training

Extended Programs:

- Plan and implement profit centres: summer camp, after-school program, etc.

Position yourself as a Top-Tier Canadian Ivy League Institution
