

# School Partnership / Franchise Guide

## FAQ Checklist

### Essential Questions to Ask Any School Franchise Program

By asking these essential questions, you can ensure you make an informed decision and choose the school partnership / franchise program that best suits your needs and allows you to achieve your educational goals.

### About the CGA Program

#### Tailor-Made Learning: Craft the Perfect Educational Experience for Your School (FAQ)

**Q: What is the benefit of your grade level curriculum modules?**

A: We understand that every school has unique goals and student needs. Our modular approach allows you to mix and match grade level programs to create the ideal learning experience for your institution.

**Q: What kind of grade level modules do you offer?**

A: We offer a variety of focused programs, including:

- ❖ **Elementary Powerhouse (Grades 1-8):** This module equips young minds with a strong foundation in core subjects.
- ❖ **Full Spectrum Education (Grades 1-12):** This program guides students seamlessly from elementary to high school with a comprehensive curriculum.
- ❖ **Global High School & University Pathway (Grades 9-12):** This module prepares high school students for admission to top international universities by fostering academic excellence.

**Q: Do I have to choose the entire program, or can I pick specific modules?**

A: Absolutely! We offer unmatched flexibility. You can select individual modules or combine them to perfectly align with your school's vision and student needs.

**Q: How can I learn more about how these modules can benefit my school?**

A: **Contact us today!** We'd be happy to discuss how our customizable curriculum modules can elevate your learning environment and empower your students to achieve success.

**Q1: What specific curriculum does the program use, and is it accredited and recognized in my country?**

A1: Canada Global Academy utilizes the **globally ranked #4** Canada, Ontario Ministry of Education curriculum. It is provincially approved, recognized for its rigorous standards, and adaptable to various international contexts.

**Q2: Does the Ontario Ministry of Education directly accredit international schools?**

A2: Here at Canada Global Academy, we are the **exclusive provider** of the Ontario Ministry of Education K12 curriculum outside of Canada. While the Ministry stopped directly accrediting schools in 2016 to focus on domestic educational support, partnering with us ensures your students receive a world-class education rigorously aligned with these prestigious standards.

**Q3: What is the global ranking of the Canada as far as education?**

A3: Canada is **globally ranked #1** in the English speaking world and also in the G7.

**Q4: What ongoing support and training do they offer franchise partners? Is it comprehensive and tailored to my needs?**

A4: We provide an unmatched support system, offering expert guidance, comprehensive training, and ongoing support tailored to your needs throughout your journey as a franchise partner.

**Q5: What are the initial investment costs, ongoing fees, and projected return on investment? Are they transparent and realistic?**

A5: Transparency is key. Our program outlines clear details regarding initial investment, ongoing fees, and projected return on investment, ensuring realistic expectations for our franchise partners.

**Q6: What marketing support does the program provide? How will they help me attract students and secure enrollment?**

A6: We offer data-driven marketing power with customized strategies, including targeted outreach, local SEO dominance, and captivating marketing programs, campaigns and content to attract families and secure enrollments.

**Q7: How long has the program been operating, and do they have a proven track record of success with franchise partners?**

A7: Canada Global Academy has a substantial operational history, and we boast a proven track record of success with our franchise partners globally.

**Q8: If applicable, how does the program support international students and teachers? What is the global network like?**

A8: We have a global network, and our program is designed to support international students and teachers. Specific details can be discussed based on your region and needs.

## **About the Partnership:**

**Q9: What are the requirements to become a franchise partner, and does the program align with my values and vision?**

A9: The selection process considers alignment with values and vision. We welcome partners who share our commitment to providing quality education.

**Q10: What are the terms of my territory and exclusivity? Are they clearly defined and sufficient for my plans?**

A10: Clear and defined territory rights are provided, ensuring exclusivity that aligns with your plans and goals as a franchise partner.

**Q11: What are the conditions for renewing my franchise agreement? What happens if the agreement is terminated?**

A11: Renewal conditions are outlined transparently, and termination terms are fair and clearly specified in the franchise agreement.

**Q12: Is the franchise agreement clear, concise, and legally reviewed by an independent professional?**

A12: Yes, our franchise agreement is clear, concise, and legally reviewed by independent professionals to ensure fairness and clarity.

## **Additional Considerations**

**Q13: Will the program help me comply with all local regulations and educational standards?**

A13: Yes, our program actively supports franchise partners in complying with all local regulations and educational standards.

**Q14: What data and evidence do they have about student outcomes and academic achievement?**

A14: We provide comprehensive data and evidence regarding student outcomes and academic achievements to showcase the effectiveness of our program.

**Q15: What technology platform does the program use? Is it user-friendly and up-to-date?**

A15: Canada Global Academy employs a Ministry-approved digital learning platform, ensuring a user-friendly and up-to-date technology experience.

**Q16: How does the program stay innovative and adapt to changing educational needs?**

A16: Innovation is a cornerstone of our program, and we consistently adapt to changing educational needs through ongoing research and development.

**Q17: Is the program readily available to answer my questions and address my concerns?**

A17: Yes, we prioritize open communication and are readily available to address any questions or concerns you may have as a franchise partner.

## International Student Program Benefits

**Q32: How can our school leverage the "Student Visa Fast Track acceptance" benefit? [\*\*]**

A32: Since students are registered directly with the Canada Ontario Ministry of Education, and receive their report cards, final grades and OSSD (Ontario Secondary School Diploma) from them, they typically are preferred over non-Canadian students for University and Visa acceptance world wide.

**Q33: What types of "International scholarships & funding" opportunities are available to students in our program?**

A.33: Since students are registered directly as students with the Canada Ontario Ministry of Education, they are entitled to apply for scholarships from the USA, Canada and other countries including some European nations. ***Last year alone, our graduate students received \$3,600,000 in international university scholarships.***

**Q34: What universities accept the Ontario Secondary School Diploma (OSSD)?**

A34: The Ontario Secondary School Diploma (OSSD) is widely recognized by universities in all countries around the world as a premium degree. (Unlike the I.B. ( International Baccalaureate which is not recognized in all countries.)

**Q35: Can you elaborate on the process for graduates in Canada to receive Permanent Residence / Passport?**

A35: Upon graduation in Canada, international students may apply for a **Post-Graduation Work Permit (PGWP) / Permanent Residence (PR) and may apply for** Canadian citizenship and a Passport within 3 years.

## Additional FAQs:

**Q36: How does Canada Global Academy support the integration of international students into the program?**

A36: Canada Global Academy understands the importance of a smooth transition for international students. We offer a variety of resources and support mechanisms to ensure their successful integration:

- **Pre-enrollment guidance:** We provide comprehensive information about the program, Canadian culture, and expectations to help students adjust before arrival.
- **Welcome and orientation program:** Upon arrival, we offer a dedicated program to familiarize students with the platform, learning environment, and school community.
- **English Language Learner (ELL) support:** We can connect students with additional resources or support programs if needed for English language proficiency.
- **Buddy system:** We can facilitate a buddy system with local students to foster friendships and cultural exchange.
- **Ongoing support:** Our dedicated team is available to address student questions and concerns throughout their academic journey.

**Q37: Does Canada Global Academy offer any professional development programs for our teachers to adapt to the curriculum?**

A37: Absolutely! We recognize the importance of teacher preparedness. Canada Global Academy offers a range of professional development programs to help your teachers adapt to the Ontario Ministry of Education curriculum:

- **Online training modules:** We provide comprehensive online modules that delve into the curriculum, teaching methodologies, and platform functionalities.
- **Live workshops:** We conduct live workshops and webinars led by curriculum specialists to address specific topics and provide in-depth training.
- **Ongoing support:** Our team is available to answer your teachers' questions and offer ongoing guidance as they implement the curriculum.

**Q38: How does Canada Global Academy ensure the quality and consistency of education across partner schools?**

A38: Canada Global Academy prioritizes maintaining high-quality education across all partner schools. Here's how we ensure consistency:

- **Rigorous selection process:** We carefully evaluate potential partners based on their educational philosophy, commitment to quality, and alignment with our values.
- **Curriculum fidelity:** We provide all partners with the complete Ontario Ministry of Education curriculum and resources to ensure consistent delivery of content.
- **Ongoing monitoring and support:** We conduct regular reviews and provide ongoing support to partner schools to monitor progress and address any potential inconsistencies.
- **Professional development:** As mentioned earlier, our professional development programs equip teachers with a deep understanding of the curriculum and its effective implementation.

**Q39: What technology infrastructure is required for our school to implement the program?**

A39: Canada Global Academy's program is designed to be user-friendly and accessible. Here are the basic technology requirements:

- **Reliable internet connection:** A stable internet connection is essential for accessing the online learning platform, resources, and communication tools.
- **Smart Devices:** The platform is compatible with modern desktops, laptops, and tablets.
- **Interactive Displays (optional):** While not essential, interactive displays like Smart Boards can enhance the learning experience by allowing for interactive presentations and collaborative activities.
- **Video conferencing capabilities (optional):** While not mandatory, webcams and microphones can enhance communication and interaction between students and teachers.

Our team can provide a more detailed technical checklist to ensure your school's readiness.

**Q40: Does Canada Global Academy offer any resources or support for marketing the program to our local community?**

A40: Yes! We understand the importance of attracting students to your school's program. Canada Global Academy offers a variety of marketing resources and support to help you:

- **Marketing materials:** We provide customizable marketing materials like brochures, posters, and social media content to promote the program locally.
- **Website support:** We can assist you in developing a dedicated section on your school website to showcase the Canada Global Academy program and its benefits.
- **Public relations guidance:** We can offer guidance on developing press releases and outreach strategies to raise awareness within your community.
- **Sample presentations:** We provide sample presentations you can adapt to introduce the program to parents and students at school events or information sessions.

We believe in a collaborative approach to marketing and are happy to support your efforts in attracting students to this exciting program.
